RELAX.

The West is in good hands.

Help a friend lend a hand for just \$13.

The West faces many threats. Government overreach. Corporate exploitation. Environmental “innocence.” For more than 30 years and 115 issues, RANGE has fought—even led—the good fight to protect ranching, grazing, conservation, and the traditional way of life on America’s Outback.

But we have not, and cannot, do it alone. We are joined in the effort by tens of thousands of subscribers and readers across America. Your continuing support is appreciated, but more hands are always needed. We are confident there are others among your friends and neighbors who would join us if only given an introduction. That’s where we need your help.

For just \$13 each, you can provide a year’s Gift Subscription to RANGE for as many NEW subscribers as you care to enroll. Like you, they’ll enjoy award-winning stories, thoughtful opinions, insightful features, colorful photography, entertaining humor, and more. And, most of all, they—like you—will enjoy the uniquely American way of life that is the rural West.

Simply fill out the coupons and return your order in the prepaid envelope in center of this issue. Or call the magazine at 1-800-RANGE-4-U (726-4348).

Then relax and feel appreciated. You’ve done your part.

1-800-RANGE-4-U (1-800-726-4348)

EASY: Use this form and the envelope in center of this issue and enclose check or credit card information.

EASIER: Call 1-800-RANGE-4-U (726-4348)

AND FOR YOU: Add your own subscription or renew for \$16 per year (reg. \$19.95)
